

Dear New Carderock Family:

Welcome to Carderock Springs Elementary School! We're glad you've chosen to enroll your child here and we know you'll enjoy being a part of this community. Carderock enjoys a very active Parent Teacher Association (PTA) and we hope you'll find a way to involve yourself in our many opportunities.

As a PTA, we maintain a database of information about each student so that no family is left out of the loop. We use that database to prepare a school directory, which is distributed in the Fall, and to maintain an Emergency Contact List, which is distributed to the Room Parents for each class, in case of an unforeseen emergency affecting our school. The database information is used solely by the PTA and is kept confidential.

If you would like to have your family's contact information included in the database, the directory, and the Emergency Contact List, please complete the attached form and return it to the school in an envelope marked "PTA Student Directory."

If you have any questions, please feel free to contact me.
